

Child Find

Do you have concerns about:

- How your child's speech is developing?
- How your child is learning?
- How your child sees or hears?
- How your child plays with other children?
- How your child moves his/her body and/or uses his/her hands for daily tasks?
- How your child reacts to difficult situations or transitions?

Child Find infant and preschool screenings can answer many questions about your child's development. It is a program of San Juan BOCES intended to identify children who might need extra support. If you have concerns

about a child between the ages of birth to 5 years, you should call **247-3261 x 146**. The Child Find Screening is available at no cost to you.

Early intervention is the key to future academic success

San Juan BOCES offers an array of services and programs supporting five school districts; Durango, Ignacio, Bayfield, Pagosa Springs, and Silverton in La Plata, Archuleta, and San Juan Counties.
